WELL PRESENTED RESIDENTIAL PARK HOME WITH LOVELY REAR GARDEN AND PLEASANT BACK DROP, OFFERED CHAIN FREE.

Accommodation: The entrance hall leads into the wonderful L-shaped living/dining room. There is then a very well appointed kitchen/breakfast room with various integrated appliances. The inner hall area then leads to the two double bedrooms, bedroom one has a lovely outlook over the rear garden and benefits from a modern ensuite shower room. Bedroom two has fitted wardrobes and adjoining this is a modern bathroom.

Outside: To the front is an area of garden and adjoining this the driveway gives off road parking, and leads to the garage 5.3m x 2.5m with power supplied. There is then the superb attractive rear garden which comprises lawned area, attractive borders and there is also decking. Also, the tank for the LP gas and adjoining the rear of this lovely home is a lean to garden room. Lovely woodland walk adjoining.

TENURE: These residential park homes are neither freehold or leasehold and hence it is difficult to define the tenure of these properties in the traditional sense as you own the property outright but not the land it sits on. Hence the pitch fee/ground rent payment is for the right to be situated in this position for perpetuity, ie no defined time, so it's better than a lease that counts down year by year.

Semi-Rural Location: - There is a pleasant little community on this site which enjoys a lovely location on the fringes of New Milton and the New Forest National Park. Sammy Miller Tea Room is opposite and Beechwood Stores is within walking distance, just off Stem Lane. The site has its own bus stop and we are told the bus runs weekdays into New Milton/the large Tesco and back.

Council tax band: A, Ground rent: £164 x 13

VERY IMPORTANT, PLEASE READ: There may be omissions in these sales particulars and they do not constitute part of a contract. Floor plans are for representational purposes only and may not be to scale. All measurements including floor area (which may or may not include garage and/or conservatory) are approximate and should not be relied upon. We make no assertion that the property is in good condition or otherwise, nor that any services, appliances or systems are in good working order. Items depicted in photos may not be included. Maintenance/ground rent figures have been supplied by the seller. Maintenance tends to go up every year and there can be extra charges. Ground rent tends to increase periodically. We will endeavour to mention if a property is not of standard construction but we are not always able to establish this. The flood risk is deemed as 'very low' unless stated otherwise. We are not aware of issues affecting the structural integrity of the property or whether there is any asbestos present (including outbuildings). Most properties have restrictive covenants. Please ask us if you would like sight of these prior to offering. Alternatively your solicitor will advise on these during conveyancing. There is general coastal erosion on the Barton coastline. We are not aware of any current planning permissions close to the property that may cause concern but this could be looked into. Potential viewers and purchasers should investigate and/or verify all relevant points and if appropriate, commission experts including surveyor to report before proceeding, and we will assist whenever possible.
