They are now looking to downsize as family have grown up. 15 minute walk to mainline railway station with excellent links to surrounding area and London.

Accommodation: There is an entrance porch which leads into an entrance hallway. There is a living room overlooking the rear garden which leads into a conservatory which also overlooks the front garden. There is then a further large reception room, perhaps a dining room, family room or even a ground floor fourth bedroom, which like the living room has a feature fireplace. The galley style kitchen overlooks the rear garden and also houses a modern gas boiler for the central heating, excellent storage making efficient use of layout. There is a downstairs cloak room. Upstairs the landing leads to three double bedrooms, one of which has an ensuite shower room, plus there is a family bathroom.

Outside: A five bar gate opens to the driveway which gives good off road parking as well as space to turn and there is also a single garage and shed. A pathway then leads to the impressive large front garden which has lawn areas as well as tiered borders with shrubs. This is a safe space for children as overlooked by family room and conservatory. The rear garden was recently professionally landscaped at great expense, with extensive paved area adjoining the house, where there are also further sheds and then steps lead up to a lovely lawned area where there is also further paving, a summer house and a greenhouse.
