NFDC planning department have indicated their broad agreement to the burnt down original house being demolished and replaced (subject to the outcome of a formal planning application) and would likely look favourably at an application for an additional new build bungalow in the rear garden, both sharing the same existing driveway off Marine Drive. NFDC response to proposed planning application advice included "Based on the information you have provided, there are no objections to the principle of an additional dwelling outside the Coastal Erosion Zone or the replacement, albeit slightly larger, of the existing property." We can supply a copy of the full letter from NFDC to interested parties. The sellers are looking for unconditional offers to purchase the site outright. So no offers subject to planning please and buyers must be in a position to purchase quickly i.e have cash or confirmed funds to purchase. Although not preferred, you can also offer initially for the site with a future uplift payment if formal planning granted for plot to rear.
