WONDERFUL OPPORTUNITY TO PURCHASE ONE OF BARTON ON SEA'S ORIGINAL COTTAGES DATING BACK ORIGINALLY TO THE 19TH CENTURY. This deceptively spacious dwelling is situated just a stone's throw from the seafront and offered as a chain free sale.

Accommodation: The entrance hall leads into a wonderful double aspect living room with fireplace. There is a dining room which leads into a kitchen/breakfast room overlooking the rear garden. There is a downstairs cloakroom. The first floor landing opens to three double bedrooms and a bathroom. Bedroom one has a further adjoining room which has been used as a study but could equally be a dressing room or ensuite in the future.

Outside: To the front there is an area of garden. Please note this cottage does not have off road parking, although there is no restricted parking on the road. For a future owner it would be worth considering a driveway to the front. The rear garden is a lovely feature with lawned and paved areas. There's also a shed and summer house.

VERY IMPORTANT, PLEASE READ: There may be omissions in these sales particulars and they do not constitute part of a contract. Floor plans are for representational purposes only and may not be to scale. All measurements including floor area (which may or may not include garage and/or conservatory) are approximate and should not be relied upon. We make no assertion that the property is in good condition or otherwise, nor that any services, appliances or systems are in good working order. Items depicted in photos may not be included. We are not aware of issues affecting the structural integrity of the property or whether there is any asbestos present (including outbuildings). Most properties have restrictive covenants. Please ask us if you would like sight of these prior to offering. Alternatively your solicitor will advise on these during conveyancing. There is general coastal erosion on the Barton coastline. Potential viewers and purchasers should investigate and/or verify all relevant points and if appropriate, commission experts including surveyor to report before proceeding, and we will assist whenever possible.
