This flat's front door then opens the entrance hall and then in turn a living room which enjoys a bright westerly aspect, as does the well appointed modern kitchen/breakfast room. This has extensive integrated appliances comprising, fridge/freezer, oven, microwave, washing machine, dishwasher, hob and hood and also housing the new in 2024 gas boiler. There are two double bedrooms and a shower room.

Outside: It is our understanding that each of the four flats within the building has an area of allocated garden and this flat's garden is located at front and to the right. To the rear of the building there is general parking area plus a large garage (17' x 10') in a block.

Please note: This flat has approximately 143 years left on the lease until 2168. We have been told that the last year's maintenance was £900 and there is no ground rent. It appears that a pet is okay as there is at least one cat and dog currently in the building (may need freeholder's permission).

We will endeavour to mention if a property is not of standard construction but we are not always able to establish this. We are not aware of issues affecting the structural integrity of the property or whether there is any asbestos present (including outbuildings). Most properties have restrictive covenants. Please ask us if you would like sight of these prior to offering. Alternatively your solicitor will advise on these during conveyancing. There is general coastal erosion on the Barton coastline. We are not aware of any current planning permissions close to the property that may cause concern but this could be looked into. Potential viewers and purchasers should investigate and/or verify all relevant points and if appropriate, commission experts including surveyor to report before proceeding, and we will assist whenever possible.
