SPLENDID BRAND NEW 40' x 20' RESIDENTIAL PARK HOME WITH DELIGHTFUL RURAL OUTLOOK

Accommodation: The entrance hall leads into a superb bright living space with defined lounge and dining areas and then a well appointed kitchen with integrated fridge/freezer, oven, hood, dishwasher & washing machine. There is then an inner hall which accesses the two double bedrooms, each with fitted wardrobes and bedroom one has an en suite shower room. There is a main bathroom, so two WCs in total.

Outside: This has a lovely rural outlook to the front where indeed there are often deer to be seen (pic 2). There is a drive for off-road parking a metal shed and 'low maintenance', currently gravelled gardens extending around. Lovely woodland walk adjoining the development.

Semi-Rural Location: There is a pleasant little community on this site which enjoys a lovely location on the fringes of New Milton and the New Forest National Park. Sammy Miller Tea Room is opposite and Beechwood Stores with post office is within walking distance, just off Stem Lane. The site has its own bus stop and we are told the bus runs weekdays into New Milton/the large Tesco and back.

TENURE: These residential park homes are neither freehold or leasehold and hence it is difficult to define the tenure of these properties in the traditional sense as you own the property outright but not the land it sits on. Hence the pitch fee/ground rent payment is for the right to be situated in this position for perpetuity (subject to conditions), ie no defined time, so its better than a lease that counts down year by year.

Council Tax Band: A, Ground rent: £250 pcm approx tbc

Please read site rules if interested.

VERY IMPORTANT, PLEASE READ: There may be omissions in these sales particulars and they do not constitute part of a contract. Floor plans are for representational purposes only and may not be to scale. All measurements including floor area (which may or may not include garage and/or conservatory) are approximate and should not be relied upon. We make no assertion that the property is in good condition or otherwise, nor that any services, appliances or systems are in good working order. Items depicted in photos may not be included. Maintenance/ground rent figures have been supplied by the seller. Maintenance tends to go up every year and there can be extra charges. Ground rent tends to increase periodically. We will endeavour to mention if a property is not of standard construction but we are not always able to establish this. We are not aware of issues affecting the structural integrity of the property or whether there is any asbestos present (including outbuildings). Most properties have restrictive covenants. Please ask us if you would like sight of these prior to offering. Alternatively your solicitor will advise on these during conveyancing. There is general coastal erosion on the Barton coastline. We are not aware of any current planning permissions close to the property that may cause concern but this could be looked into. Potential viewers and purchasers should investigate and/or verify all relevant points and if appropriate, commission experts including surveyor to report before proceeding, and we will assist whenever possible.
